About us

We are a group of "LIGHTHOUSE LOVERS" who are joining together to support Mission Point Light in anyway we can: raising funds, donating our time and talents, and spreading the word about what our light needs to "keep burning"....

We believe it is our mission to continue the work of the original citizens of Old Mission who banded together to purchase the decommissioned light for our Township.

MISSION POINT LIGHTHOUSE FRIENDS

Please join us in support of our wonderful light!
